EUROPEAN SHROPSHIRE SHEEP BREEDERS ASSOCIATION (CLG)

Regulations and Conditions of Entry into the European Flock Book

1. The European Flock Book (Flock Book) is available only in digital format.
2. Only breeders from EU countries where no other method of registration is available are allowed to apply for membership.
3. All registered flock owners must keep a private Flock Book (to be produced to the Directors if called upon to do so), otherwise they will be barred from registering their flocks, as it is obvious no truthful pedigree can be given unless such a course is adopted.
4. Rams to be eligible for entry must be named. No name which has already appeared in the Flock Book can be duplicated. If this regulation is not observed, the Directors reserve the right of renaming the ram.
5. No ram will be eligible for entry unless bred by the breeder whose flock is already entered in the Flock Book or accepted for entry in any forthcoming volume.
6. No ram shall be eligible for entry unless the names and numbers of Sire and the Sire of the Dam be given, along with the registration number of the Grand Dam.
7. The Directors reserve the right of declining any entry, if so recommended by the Registrar of the SSBA.
8. No breeder's entry will be accepted unless he or she complies with the following conditions:-
9. That the whole of the sires used in his/her flock from the date of his/her first registrations be inserted into the relevant Flock Book, and that every ram used subsequently must be entered year by year;
10. If required, satisfactory proof must be given of the means by which persons registering rams have hired or purchased them.
11. No pure-bred breeding ewes can be introduced into a registered flock except from that of another registered breeder (i.e. a breeder whose flock is recorded in the last published volume of the Flock Book at the time the stock were disposed of), and the owner must furnish the Registrar of the SSBA with particulars of numbers and breeding, otherwise his/her entries will not be considered.
12. No pedigree breeding animals, their semen, ova and embryos can be accepted into the flock book unless accompanied by an equivalent Zootechnical Certificate from the equivalent breed society in the country of origin.
13. Only current affiliate members of the SSBA (Subscribers to the ESSBA) may register their sheep as pedigree Shropshires. Animals born in flocks during years when their membership of the SSBA has lapsed may not be registered.
14. The ESSBA's Grading-Up Scheme is closed for new entrants.
15. Any females already on the Grading-Up Scheme must be sired by a registered ram. Female progeny will only be eligible for full registration as pedigree ewes at the third generation.
16. When a flock is advertised to be wholly dispersed, no portion of that flock shall be entered by the vendor when first entering a new flock. If any portion of the flock so advertised is reserved, the sexes, ages and numbers thereof must be fully stated in the catalogue.
17. In case the Directors at any future date discover an inaccuracy or fraudulent entry, they reserve the right to cancel such entry and/or expunge the flock in question from the Flock Book.

EUROPEAN SHROPSHIRE SHEEP BREEDERS ASSOCIATION (CLG)

18. All Rules and Regulations will only be issued in English and if they are translated by anyone the English version is deemed the master. Any disputes and issues regarding entries to the Flock Book will be dealt with in English and under Irish law.

I hereby declare that I acknowledge the society 'Regulations and Conditions of Entry into the Flock Book' and will fully comply with these regulations.
