Secretary's Report 2024

Having only taken the reins in July this is obviously my first secretary's report. I'd like to thank Yvette Openshaw for passing said reins over in such good order. The show and sale took place at Shrewsbury Market on 27th July 2024. There was a great atmosphere and some great results in the sales ring. Congratulations and thanks must go to the Show subcommittee for both their fantastic organisation and the time and effort they put in. We look forward to another great show in 2025, when it will be held on 26th July at Shrewsbury Market.

As you will have seen, it has been decided to create a handbook containing some details which have traditionally appeared in the flock book and do not change every year. The handbook will only need to be reissued when something changes and the first edition will have arrived with the latest ShropTalk magazine. This makes the flock book thinner, therefore less expensive to both print and post.

Membership Secretary Jan Morris has had a busy year with 31 new flocks becoming members of the society. These flocks originate from Northeast Scotland to South West England. It's great to see several families getting involved too.

It has been a good year for junior representation in the showing ring and we look forward to seeing more in 2025.

Registering show points was not widely carried out this year. This process is explained in the Handbook and it would be great to have more flocks taking part to compete for the Society Trophies.

The past year has seen the introduction of webinars which are open to all members of the society. Topics this year included Introduction to the breed, tour of Grassroots, MV info along with open ask the vet and culminated in a virtual Xmas Party. It would be great to see more people attending these Webinars as they have been well received and informative for those who have attended.

President's Report

to the 2024 Annual General Meeting

Good morning, Ladies and Gentlemen and welcome to the SSBA 2024 AGM. Its great to see you all whether in person or online and thank you making the effort to attend. 2024 has been a year full of challenges but also full of successes. We are in a good place and that is down to the dedication and commitment of members, council members and of officers.

We have seen secretarial changes in the last 12 months with Yvette taking up post as society secretary in Nov 23, faced with a monumental challenge of getting our house in order, sadly the time commitment of the role meant that Yvette made the decision to step down in July. I would like to take the opportunity to thank Yvette for her efforts and skills in leaving the secretary position in a healthier place than when she took it on. Gail our Registrations Clerk kindly agreed to take on the role of secretary in addition to her current workload, and she continues to help us drive the society forwards.

I will not cover in detail, ground that Alison will speak about in her registrar's report however we must be aware with decreasing ewe registrations, understanding and intervention will need to be on the horizon as we cannot allow the continual downward trend to continue.

I have thoroughly enjoyed my year as president and a particular highlight for me was the show and sale at Shrewsbury. I felt this year had a real buzz and the atmosphere was warm and welcoming which no doubt helped to deliver us some good prices. There are naturally things we can improve upon and I am extremely grateful to the working group who have worked tirelessly to deliver the show and sale to such a high standard. Jan, Charles, Jeannette, Pippa, Trevor and Phil must have a mention for their efforts. I already know work is underway to ensure feedback given this year is actioned for 2025. Over the past 12 months, I have seen firsthand the work and effort that goes into running the SSBA particularly by the officer team. Whilst some receive an honorarium, we must not lose sight of the fact that most of the work done for the SSBA is done on a voluntary basis and relies solely on the good will and commitment of the team. As an organisation we are incredibly fortunate to have such a pool of talent available whom give their valuable time in order for the SSBA to succeed in carrying out its charitable objectives so well. Please never let this be forgotten amongst you, the members as it is vital to our continued survival that we appreciate and acknowledge these people.

Once again can I thank you all for your attendance and support and I wish you a safe journey home.

Registrar's Report to the 2024 Annual General Meeting

Another busy year for the registrations team.

Grassroots

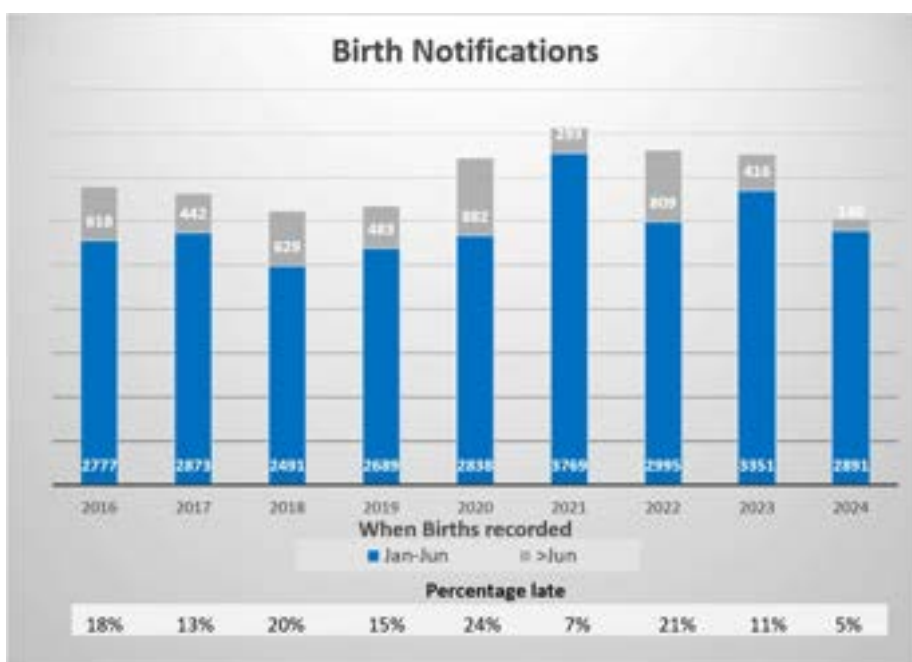

Last year's move of the people side of Grassroots on to the cloud has really helped streamlining our data not only for the Registrations Clerk, Secretary, Membership Secretary and myself but, for the membership and potential members. Instead of the list of members being a snapshot of the database uploaded to the website it is now in real time on Grassroots for anyone to look breeders up (GDPR allowing). Members can also list animals for sale/ hire or with AI straws available. Potential members can view the details of these sheep from pedigree to progeny just as members can all free of charge.

We are in the process of moving the animal side on to the cloud with again more functionality for members so watch out for details as they come.

Handbook

This year council have decided to split the flock book into two. The new flock book will contain all the stuff to do with the year from registrations, show results AGM and financial reports, to membership, exports etc. There will be a new publication, called the handbook. The handbook will contain all the rules and regulations of the society and the stuff that doesn't change too much year on year. The first edition will be posted out early in the new year, to give you all something to read whilst waiting for that ewe to lamb. This first edition has been kindly sponsored by Shearwell Data.

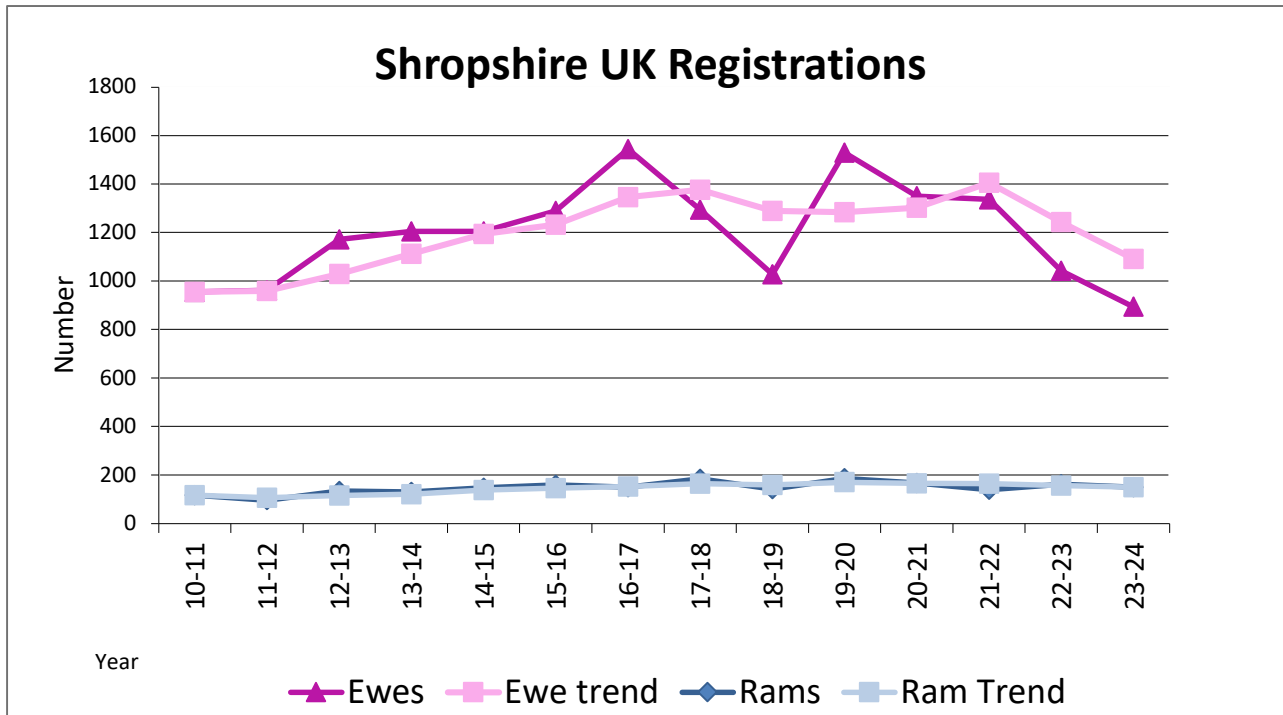

Birth notification

Birth notifications are down on previous years however, the number of people notifying late has halved after a concerted effort to remind people.

Registrations

This is the worrying area. Ewe registrations are down again for the fourth year, so the trend is now downwards. Ram Registrations are holding steady.

Flock Records

Members using the kinship report, have increased again to about 25 this year. The cloud version of Grassroots will allow members to do a form of this graph themselves, it will be a word report not the spreadsheet I produce. The spreadsheet, however, will still be available to those who request it.

You should all have now received your renewal paperwork, if you haven't, please let me know. Whatever we have on the system on 15th December will be going into the flock book. Although voluntary we cannot get a true picture of the national flock unless people keep their flock records up to date, so please help by doing that.

Thank you.

**COUNCIL MEMBERS' REPORT
FOR THE YEAR ENDED 31 AUGUST 2024**

The Council members (who are also directors of the charity for the purposes of the Companies Act) present their annual report together with the financial statements of The Shropshire Sheep Breeders Association and Flock Book Society (the company) for the year ended 31st August 2024. The Council members confirm that the Annual report and financial statements of the company comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice (Financial Reporting Standard 102).

Structure, governance and management

CONSTITUTION

The company is registered as a charitable company limited by guarantee and was set up by a Memorandum of Association on 24th March 2006.

The purpose of the company is to encourage the breeding of Shropshire Sheep and the maintenance of the purity of the breed and to this purpose the compilation and publication of a flock book and the arrangement of shows and classes for which prizes may be donated and augmented.

The obligations of the members are to pay the Society an annual subscription according to the scale determined by the Council.

There have been no changes in the charitable purposes since the last annual report.

METHOD OF APPOINTMENT OR ELECTION OF COUNCIL MEMBERS

The Society is managed on a daily basis by the President and the Secretary.

The management of the company is the responsibility of the Council members who are elected and co-opted under the terms of the Articles of Association.

RISK MANAGEMENT

The Council members have assessed the major risks to which the company is exposed, in particular, those related to the operations and finances of the company, and they are satisfied that systems and procedures are in place to mitigate our exposure to the major risks.

Objectives and activities

PUBLIC BENEFIT

The Council has referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities. In particular, the Council considers how planned activities will contribute to the aims and objectives it has set.

**COUNCIL MEMBERS' REPORT
FOR THE YEAR ENDED 31 AUGUST 2024**

Achievements and performance

INVESTMENT POLICY AND PERFORMANCE

The Council has considered the most appropriate policy for investing funds and has found that Barclays Bank and Cambridge and Counties Bank meet their requirements to generate income.

Financial review

RESERVES POLICY

The Council has established a policy to maintain unrestricted funds which are free reserves of the charity at a level which equates to approximately twenty-four months unrestricted expenditure. This provides sufficient funds to cover management administration and support costs.

The balance held as unrestricted funds at 31st August 2024 was £62,507. Of this £61,085 are regarded as free reserves, after allowing for funds tied up in tangible fixed assets. The Council regularly reviews the level of reserves and considers that sufficient unrestricted resources are held.

Plans for the future

FUTURE DEVELOPMENTS

The Society plans to continue the activities as authorised above in the forthcoming years subject to satisfactory funding arrangements.

In 2022 the company assisted with the formation of the new European Shropshire Sheep Breeders Association ("ESSBA"), an Irish registered entity. This was set up to allow Society members resident in the European Union to continue to register their sheep. The Society will continue to earn revenue from these members from their Associate Memberships and for charging ESSBA to run its flock book.

**COUNCIL MEMBERS' REPORT
FOR THE YEAR ENDED 31 AUGUST 2024**

COUNCIL MEMBERS' RESPONSIBLE STATEMENT

The Council members (who are also directors of The Shropshire Sheep Breeders Association and Flock Book Society for the purposes of company law) are responsible for preparing the Council members' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Council members to prepare finance statements for each financial year. Under company law the Council members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Council members are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Council members are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Council members are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

In preparing this report, advantage has been taken of the small companies exemptions provided by section 415(1A) of the Companies Act 2006.

This report was prepared and signed on behalf of the Council members on 16th October 2024 and signed on their behalf by:

These financial statements have been prepared in accordance with the special provisions of the Companies Act 2006 relating to small charitable companies and with the Charities Statement of Recommended Practice (Financial Reporting Standard 102).

For the year ending 31 August 2024 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its accounts for the year in question in accordance with section 476;
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

The financial statements were approved and authorised for issue by the Board on 16th October 2024.

Notes to the Financial Statements
For the year ended 31 August 2024

1 Accounting policies

The financial statements have been prepared under the historical cost convention and in accordance with the Companies Act 2006 and the requirements of the Charities Statement of Recommended Practice (Financial Reporting Standard 102).

All incoming resources are included on the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy. Life membership income is spread over ten years.

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the relevant category. Where costs cannot be directly attributed to particular headings, they have been allocated to activities on a basis consistent with the use of resources. Stocks are valued at the lower of cost and estimated selling price after making allowance for obsolete and slow-moving items.

Depreciation on Tangible Fixed Assets is charged as follows:

Storage Container - over the shorter of the assets' anticipated life and five years.

Office Equipment - over the shorter of the assets' anticipated life and four years

The charity is exempt from corporation tax on its charitable activities.

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees. Restricted funds can only be used for particular restricted purposes within the object of the charity. Restrictions arise when specified by the donor or funds raised for particular restricted purposes.

8 Trustees' expenses and remuneration

The treasurer received an honorarium of £500 (2023: £300) to cover out of pocket expenses. No other trustees received any remuneration (2023: £nil) and there were no other trustees' expenses incurred (2023: £nil).

9 Related party transactions

During the year, the Association received subscriptions, registrations and other income from Council members. These amounts are not considered to be material and are on exactly the same terms as others.

In addition, out of pocket expenses were reimbursed to Council members for attending shows and events. Again, these amounts are not considered to be material.

In 2013, a donation of £500 was received from J&P Bowles to award an annual cash prize to the winner of the Hardwicke Perpetual Challenge Cup.

10 Ultimate controlling party

The Association is controlled by the Council members who are also the charity trustees.

Independent Examiner's Report to:

The Members of the Shropshire Sheep Breeders Association and Flock Book Society

I report on the accounts of the company for the year ended 31 August 2024, which are set out on pages 4 to 10.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. Having satisfied myself that the charity is not subject to audit under company law and is eligible for Independent Examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act;
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements have not been met:
 - to keep accounting records in accordance with section 386 of the Companies Act 2006;
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of the Companies Act 2006, and which are consistent with the methods and principles of the Charities Statement of Recommended Practice (Financial Reporting Standard 102).
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Sales Officer Report 2024

I would like to take time to thank all our Members who have gone above and beyond this year through very challenging times with both the horrendous weather and the economic uncertainty we are all facing.

Exports

I have been involved with exports for over 25 years and this is the first year I have been unsuccessful in gaining orders.

We have had enquiries which is encouraging but due to varying reasons mainly lack of Control Posts and Europe not being helpful we have been unable to get any away.

On the upside I met with Phil Stocker (NSA) who informed me that they have secured a new route which would solve all our problems. We were then hit with Blue Tongue so everything ground to a halt.

Although we have not been successful year your Export Team, Sue Farquhar, Alison Schofield and Rosie Lee have still been working behind the scenes making sure we had the latest information and were set to 'GO' at short notice should things change. I would also like to mention our export Breeders who at great expense to themselves in maintaining their health status enabling them to export.

Although we are questioning the reason for Scrapie Monitoring status as Europe are now requesting ARR/ARR genotype animals as a priority over SM scheme. As some of you will remember we have already gone through this route, lost lots of really good animals because they weren't ARR/ARR for no benefit at all. Our Government scrapped the scheme. Europe are so far behind us and not learnt from our lessons.

There would be a large cost saving to genotype rather than pay for governments Scrapie Monitoring system. With this in mind the Export Team have sourced a recognised company to do the three codon blood test which initially can identify the genotype which is for flock records only, but you can do this test. If you were wanting to export then you would have to have your vet take blood (five codon) which is far more expensive so worth checking if you wanted to go down this route.

I am confident pending things out of our control we will secure orders for 2025.

Northern Ireland & Ireland

Delighted that Andrew Wilson has kindly accepted the post of NI Co-ordinator and Society Inspector. With Andrews knowledge and enthusiasm for the breed he will be able to more readily support Breeders. Andrew has already secured the safety of one flock looking for a new home.

Scotland

Interest in forming new flocks is definitely on the up. With the continued support that is being now offered it is proving successful. With this in mind Scotland now has its own breed stand and will be out and about in 2025.

Breed Stands

We have been out with breed stands to two events this year.

NSA ScotSheep: Dunbar, East Lothian.

This event was early June but felt like December. This is the first time we had crossed the border into Scotland, we put all our efforts into ensuring we had a good display which included well presented sheep.

All thanks go to Barry Hodson who went totally above and beyond at the last minute to collect a stunning ram from Anne Harvey who was able to help, it was an easy ask as her sheep are always stunning. He brought them all the way to the event (5 hours drive), help set up and stay (back of car) to man the stand the following day. Not to forget Doug Collie who brought down from Aberdeen, lovely ewes. Gail Beattie also helped man the stand, she has a talent of 'chatting' and not many got past her!

Fiona Wilson (Osmonds) who took time away from her stand to pay us a visit.

NSA Sheep: Malvern - July

The main NSA event was held at Malvern at The Royal Three Counties showground at the end of July. We were extremely lucky to have wonderful weather and huge crowds. Thanks go to Sue Farquhar and Ellie Butcher who provided their show team of lovely ewes and a ram imported from Andrew Wilson of Northern Ireland. What made the stand extra special was the display of flowers provided by Ellie.

Thanks also go to George Clay who has first-hand knowledge of grazing Shropshires in orchards and was happy to discuss this benefit.

Many enquiries were received which were passed onto our Secretary for follow up.

Last Report

As you will know I have resigned as Sales Officer this year after being in this position for over 25 years, also Publicity Officer in the early years. I have had the drive and belief to push forward creating many opportunities to get the sheep out and about and more importantly sold. Also which I pride myself in, is keeping flocks together under new ownership and not letting them go to market and being lost to the society. To support home sales has been successful with the creation of matching purchasers to breeders in the early years which had never been done. Moving onto our Show and Sale which we started back up again at Ledbury then progressing onto Shewsbury. Always looking forward I sourced Sell My Livestock which you are familiar with and many of you selling your sheep from here.

I took on export sales over 20 years ago and sold on behalf of the breeders over £400,000 of orders. As a Society we are a recognised leader in exports which is only achieved by hard work and a wish to be approachable and helpful. I have worked with the most amazing people who have the best interests of the society in mind.

As Society Inspector and Judge I have been always been made welcome in a challenging environment with good humour and acceptance.

I have made so many friends within the society and visited the most amazing places under the guise of 'Shrops on Tour'.

I am a Lifetime Member so will still be involved with the Society and will continue to support you.

I wish you every success and may you continue to grow and enjoy your Shropshires.

Many thanks and best wishes

Breed Improvement Scheme Report 2024

It was a busy year for the Breed Improvement Scheme, with a new record set for Terminal Sire Index by a Shropshire tested through the National RamCompare trial. SBIS members also started collecting DNA samples to help build a Genomic database for the breed, and two new Shropshire flocks joined the Scheme and started Signet recording.

A ram from the Alderton Flock, 1040LU22 – also known as “Henry”- was purchased by the RamCompare trial in autumn 2023 and joined a team of other terminal sires at Glascoed Farm near Newtown in Powys. Crossbred lambs from “Henry” performed well and he shot to first place in the Top Stock Sire Rankings for the Shropshire breed in 2024. His Terminal Sire Index stands at 318 based on his own performance, that of his close relatives and the 79 lambs he sired at Glascoed Farm. This puts him in the top 1% of the breed for growth and carcass traits.

“Henry” now lies 7 points ahead of last year’s leader, Cefn-Carnau 598ABB21, which was used for a second season in the same RamCompare flock. The Cefn-carnau ram’s Signet evaluations are now strengthened by the performance of 171 of his lambs.

Another RamCompare sire, Alderton Major, lies in third place. For the past two seasons he’s been working as a stock sire in the Hackford Flock, having been purchased by Peter Greenow when Major’s stint on RamCompare ended.

Alderton Hallmark is just one point behind Major. This ram is another high genetic merit son of Ushers Hector. Hallmark has the joint highest Estimated Breeding Value for Muscle Depth (2.42) within the breed at the moment. A total of 36 Shropshire rams were evaluated as stock sires in year.

Turning to the ram lambs born in 2024, Holloway 943TR24 is at the top of the Signet rankings with a phenomenal TI score of 359. This ram lamb was sired by Alderton Dylan. As well as an excellent score for growth rate, 943TR24 has an Estimated Breeding Value for muscle depth which matches Hallmark’s.

In second place is Ushers Louis, with another outstanding TI score of 356. Louis is by Ushers Jupiter and he has been retained by his breeders Marion and Aubrey Webb. These two ram lambs have predicted Terminal Sire indices that represent a great leap forward for the breed. Louis also has the highest Maternal Index Score for breeding profitable flock replacements. Two other ram lambs have TI scores above 318, so the breed continues to move forward.

Members of the SBIS had an on-farm meeting with Senior Signet Adviser Sam Boon at the Alderton Flock’s open-day. SBIS members were delighted to welcome two new flocks: Janice Blakiston’s Lecha Flock and Mark and Yvette Openshaw’s Holtridge Flock, who commenced recording this season.

One more Shropshire tup has joined RamCompare: Ushers Kenton, supplied by Stephen Perrins (Marlpit Flock).

Full results for Signet recorded Shropshires can be viewed and downloaded from the website: www.signetdata.com.

Genomic Testing

In 2024, members of the Shropshire Breed Improvement Scheme were also invited to send blood samples from their well-proven rams to Neogen for research and evaluation. The results from these samples will help to build a genomic database for the breed. Genomic information about breeding animals is already widely used in the dairy industry. It enables predictions of genetic merit to be made using an animal's DNA, rather than being solely reliant on performance data.

The rams selected from SBIS flocks have high accuracy values for their Signet figures. DNA samples for the project are also taken from all Shropshire ram lambs scanned through the mobile CT scanner, and all rams that participate in the RamCompare Trial.

Out and About

June saw the Society's stand up in Scotland at Scot Sheep, Dunbar. Pictured are a ram provided by Anne Harvey (Roydon Flock) and ewes provided by Doug Collie (Lamington Flock), who purchased the ram. There to greet visitors with Gail Beattie were Claire Jakeman and Barry Hodson (right).

In May, Society members were invited to a trimming workshop held at Millenheath farm by kind invitation of Rob and Jeanette Hares. Some of the Society's best trimmers were on hand to demonstrate and help the members.

National Show and Sale,

Champion (right) a shearling ewe, 004AOH23 from Mrs Lisa Wilson's Felton Flock sired by Apiary Benson. Reserve Champion (left) and best opposite sex was a shearling ram, 003DH23 from S Farquhar and E Butcher's Piddington Flock sired by Hornpipe Venom. Pictured with Judge Tim Ward (far left) and President Tom Sellers (far right).

Pictured left is the sale ring in full flow. This event was the first time since its re-launch that the National Show and Sale has been the only breed to be sold on the day and the first time the Society has sold sheep in the main sale ring at Halls livestock market.

Shrewsbury Livestock Market

Winner of the Southworth Trophy for the best prepared pen of Shropshire sheep was Lily Davies with sheep from her Issa Flock.

Pictured left is the first prize winning breeding ewe from C & J Morris's Apiary Flock who had the highest price paid for a breeding ewe in the sale ring. The Apiary flock also won the Halls Small Flock Cup with a ram lamb.

Pictured right is Lexie Coleman (Goblindale Flock) being awarded, by Tom, a superb leather showing halter – for the most successful junior member showing at the event. The halter was donated by member Rosie Lee.

Show

Left: Burwarton Show, Breed Champion, a shearling ewe from S Farquhar & E Butcher (Piddington). Pictured with judge, Carol Bateman & shadow judge, Ellie Russell.

Right: Shropshire County Show, Breed Champion, a breeding ewe from M & Y Openshaw (Holtridge).

Below: Aylsham Show, Reserve Champion Downland, a Senior ram from L & P Newman (Rode).

Above: Great Yorkshire Show, left, Champion Downland female and Reserve Champion Downland, a ewe lamb from J & D Wardell (Ryedale). Right, Reserve Champion Downland Female, a shearling from L Arrowsmith (Sunbeck).

Winners

Above: Royal Welsh Show, Champion, a breeding ewe from the Coleman family (Goblindale).

Below: Royal Cheshire County Show, Champion, a shearling ewe, and Reserve Champion, a senior ram, both from O Powell (Cleaton).

Left: Staffordshire County Show, Champion, a shearling ewe from J Hares (Millenheath), Reserve Champion, a ewe lamb shown by A Benbow from C & J Morris (Apiary). Pictured with judge, Charles Harding.

Right: Newport Show, Champion, a ram from C & J Morris (Apiary), Reserve Champion, a breeding ewe from T Sellers (Sascott). Pictured with judge, Tudur Jones.

Shropshire

Above: The Keskeys Flock of M & A Keskeys, grazing amongst young Christmas trees in Cornwall.

Right: Ewes from the Oxenford Flock of B Baker grazing amongst mature Christmas trees in Surrey.

Left: Sheep from the flock of D McCardle graze in his Australian Pear orchard.

Flocks

Above: The Showle Flock of the Clay family graze in their mature Herefordshire apple orchard. The tree guards prevent their commercial Shorthorn Cattle eating the young trees.

Right: Lambs from the Moonlake Flock of D Clayton enjoying the sun in Henley-in-Arden.

Left: Sheep from the Silver Flock of M Hustinx grazing in a vineyard in Wiltshire.

Shropshires on Television

Right and inset: March 2024, BBC's Look North West championed "Let's Farm", a SSBA supported farm that helps vulnerable young adults boost their confidence and their chances of finding work. Founders Nicola Costello (left) and Rosie Lee, (right) plus Ranger Paul, inset, filmed looking after the farms Rosaline Shropshire Sheep.

August 2024 saw the BBC again with Countryfile at the Royal Welsh show looking at families in farming and passing farms and livestock down to the next generation. One of the families highlighted was that of Sue Farquhar and granddaughter Ellie Butcher of the Piddington Flock. A snapshot from the programme above, shows Ellie with their Male Champion bred by Andrew Wilson (Ballycanal Flock).

Westwood Genetics

2025

Time to Celebrate

- * 300 years since the birth of Robert Bakewell, the great agriculturalist and livestock breeder who guided and inspired many to develop the British livestock heritage.
- * 80 years since the founding of the Westwood Herd of Hereford Cattle in 1945 which has since developed into a strain of practical and successful animals. As well as extensive use throughout the UK, the breeding has made helpful contributions in every beef-producing continent of the World.
- * 2008 saw the establishment of the Westwood Shropshire Sheep Flock that over this time has similarly been built up with sound and reliable genetics to serve modern systems and the marketplace. Flock members have been geared for every opportunity to be considered within future, around the globe, sheep farming.
- * Both enterprises offer better breeding through significant leading sire lines and productive females to nurture outcomes. The stock are inherently healthy and utilise grass and forage based rearing systems for best gain.

Show & Sales Report 2024

Shrewsbury Show & Sale – 27th July 2024

The Shropshire Sheep Breeders' Show and Sale was held at Halls Auction Centre. Sheep forward this year increased significantly partly with the absence of the export trade in the year following Bluetongue issues in the UK. This year's judge was Tim Ward, well known in the showing world.

Some new features have been introduced. Significant sponsorship has been obtained including Osmonds Animal Health & Nutrition (Fiona Wilson) as the overall sponsor. Trade stand will be present.

The breed society is to offer prize money to the owners of 1st, 2nd & 3rd placed sheep in every showing class.

SSBA member Rosie Lee (Rosaline flock) has also donated a prize – a superb leather showing halter – for the most successful junior member showing at the event

Show Results

Senior Ram

Five senior rams were forward this year with first prize going to Tushbrook Legacy (384XY22), a 2 shear ram bought and used as a lamb by the Hares family. The ram was sired by Alderton Hazzard. Tom Sellers' 2 shear ram, Redgate Ralph (888ABD21) sired by Ushers Windy was second and B & P Rennison's Tushbrook Inferno (372XY22) by Millenheath Mojo was third.

Shearling Ram

14 Shearling Rams were in the ring including 3 non-MV entries. First was S Farquhar and E Butcher's Piddington Beresford (003DH23) by Hornpipe Venom. The Coleman family's Goblindale Porthos (250AAG23) by Rosaline Claudius was second with a non-MV entry from A J Heath, Holloway Kent (893TR23) sired by Holloway George being third.

Ram lamb

14 Ram Lambs forward with Trevor Lightfoot's Fairfields Flintstone (472UG24) by Goblindale Rocky placed first. In second place was Sue Farquhar and Ellie Butcher's Piddington Ram lamb (023DH24). This was by Ballycanal Bawn with Millenheath Moonbeam (776TW24) from the Hares third. This was sired by Hayne Oak Cracker.

Breeding Ewe

2 - 2 shear ewes from C & J Morris were first (332XA22) and third (342XA22) in the ewe class. Both were sired by Roydon Rico. A & M Webb's Ushers ewe (1131KY22) by Ushers Harrybob was second.

Shearling Ewe

16 shearling ewes were forward. Tim Ward picked out a late entry (004AOH23) from Mrs Lisa Wilson's Felton Flock, sired by Apiary Benson. Second and third places went to the Hares' Millenheath Flock, (662TW23 and 729TW23) both sired by Hayne Oak Cracker.

Ewe Lamb

18 ewe lambs forward with C & J Morris led the ewe lambs with Apiary 362XA24 and 355XA24 placed first and second, both by Apiary Bruiser. Robert Webb's ewe lamb (Clipston 474PC24) by Clipston Percy was third.

The Breed Champion was the Felton shearling ewe, with the Piddington shearling ram as Reserve and Best Opposite Sex to the Champion.

Sale Summary

Moving on to the sale, 22 males were sold out of 34, with 75 females sold from the 92 in the ring. The clearance was 77% of those up for sale. Buyers were looking for quality sheep and were prepared to pay.

Melton Mowbray Show & Sale 13th – 14th September 2024

Once again this Traditional & Native Breeds event was designated an official breed Society Show and Sale by the SSBA, after a lapse of several years. The event attracts entries from a great many breeds and is well supported. Showing classes took place on Friday 13th and we are grateful to Alan Oliver for stepping in as Judge at short notice. Alan had positive comments to make about the quality of stock forward, although the entry was smaller than expected due to Blue Tongue movement restrictions.

Show Results

Senior Ram

First prize went to Lyn Arrowsmith's Hayne Oak Charlton, a 3 shear ram by Hilltop Randall out of a Hayne Oak ewe.

Ram Lamb

First and second prize went to lambs from Robert Webb's Clipston flock with 491PC24 first and 497PC24 second. Both lambs were by Apiary Bart out of Clipston ewes. Third went to a lamb from CK & JS Brown's Stankirk flock, 1933AHZ24, by Silligrove Jed out of a Troutsdale ewe.

Shearling Ewe

First and second prize went to ewes from CK & JS Brown's Stankirk flock with 1894AHZ23 first and 1883AHZ23 second. Both ewes were by Brereton Selkirk with first out of a Mavesyn ewe and second out of a Troutsdale ewe.

Ewe Lamb

First and third prize went to lambs from Robert Webb's Clipston flock with 505PC24 first and 480PC24 third. Both lambs were by Apiary Bart out of Clipston ewes. Second went to a lamb from CK & JS Brown's Stankirk flock, 1927AHZ24, by Brereton Selkirk out of a Stankirk ewe.

Lyn Arrowsmith's senior ram, Hayne Oak Charlton, went on to win the Shropshire Championship with Robert Webb's ram lamb picking up the reserve. Charlton also got through to the last six of the Interbreed Championship, but was not in the ribbons on this occasion.

Sale Results

The sale was held the following day with mixed results for Shropshires.

There was some demand for males: Haye Oak Charlton sold for £270 and Robert Webb's Reserve Champion made £250.

Unfortunately there was not much demand for females with good shearlings making only £120/head and several remaining unsold.

We would like to thank the Breeders for supporting this Show & Sale and realise that it must have been disappointing not to achieve better results after all your efforts.

The Society will review this outcome and look to see if it is viable due to the time of year of this event as we are an early lambing breed.

Official Ear Marking System

The current breeding year started on 1st December 2024 and runs until 30th November 2025.

You must comply with DEFRA or DAERA regulations (NI). In addition to these the Society requires that all lambs over 2 months of age must be eartagged.

Eartag Format (from the Handbook)

Tags come in unique matched pairs. Left ear is a yellow electronic ID (EID) tag; right ear can be a colour of your choice (except yellow, red or black).

Both tags must have the same data printed on them, being:

One side: Your flock number (issued by government)

e.g., UK 0123456

Reverse side: Unique animal number (issued by government to tag manufacturer); your SSBA flock letters (issued by the Society); year of birth (25)

e.g., 0001 ABC 25
