We re-established The Sansaw Flock in 2008 following the purchase of breeding stock from the Bowles family's Sidedowns and Hayne Oak Flocks.
As a family we have a long association with Shropshire Sheep dating back to the late nineteenth century and want to continue this relationship with the breed, ensuring that it survives and flourishes as a commercially viable breed into the future.
Our flock is MV accredited and Scrapie Monitored. We always have a range of stock for sale and would love to see you at Sansaw, so please get in touch.

An Introduction to Shropshire Sheep

The Shropshire has long been an integral part of the sheep scene in Britain. The breed emerged in the mid-1800s from improvements to the native heath sheep of its home county and north Staffordshire to become the supreme meat breed of the late nineteenth century. Founded in 1882 and publishing its first Flock Book in 1883, the Shropshire Sheep Breeders' Association and Flock Book Society has the distinction of being the oldest recorded sheep breed society in the UK.

Shropshires were exported in vast numbers to the world's developing agricultures, especially to North America and the colonies. In recent years export sales have established a new European profile for the breed with Shropshires sold to Austria, Belgium, Denmark, France, Germany, Ireland and Switzerland.

The Shropshire breed is often used for crossing to produce prime lamb for slaughter. Docile and hardy, with a sound constitution, thus enabling efficient flock management with minimal time and effort, the Shropshire adapts well to organic and extensive systems, gaining weight mainly off grass. Lambing returns of 160-180 per cent are regularly recorded by breeders and commercial producers alike.

A major attribute is the breed's ability to graze reliably amongst conifers and orchards without damaging the trees. Its value as an eco-friendly, cost-effective weed suppressant is increasingly borne out on large plantations in England, Ireland, Scotland, Scandinavia and Europe.

Shropshire rams are robust with good conformation. They are renowned for producing strong, active lambs with quick growth rates and lean, long, top-quality carcasses.

Shropshire ewes make excellent mothers. Long-lived, milky and prolific, they successfully rear multiples, producing lambs over many years.

Facts and Figures

Wool Properties

The Shropshire clips a heavy, dense fleece of good staple and fine texture. The average weight of a fleece is 3-4 kg, and the average length of staple is 10cm. The wool has a Bradford count of 54-56 (32 micron) and is in demand for traditional hand-knitting.

Crossing Attributes

When used as a terminal sire for prime lamb production, Shropshires are recognised as excellent crossing rams thanks to the superior conformation, growth rates and carcass quality of their lambs. Pure-bred and Shropshire-cross lambs are typically ready for slaughter at 12-15 weeks old, with a typical carcass weight of 18kg and carcass classification of U3L. The resultant meat is lean, succulent and rich in flavour.

Official Breed Description

The Shropshire is medium sized, with typical mature rams and ewes weighing 120kg+ and 70kg+, respectively. Shropshire Sheep are active and alert with a free action.

Head	Naturally clean soft black face, with a covering of wool on the poll. Rams should possess a bold masculine head;
Ears	Soft black in colour, of medium length and well set on;
Neck	Muscular and not too long;
Body	Well fleshed, long, deep and symmetrical. A broad, straight back with well-sprung ribs; Rump – quarters long and wide, dock well set on and gigots full and deep;
Legs	Medium length, of strong bone and upright joints, well set apart and soft black in colour;
Skin and Wool	Cherry pink skin covered with a dense, fine quality wool of good staple

Undesirable Traits

Horn stubs.
White specks on face, ears and legs.
Thick, coarse, long, pricked or drooping ears.
Drooping rump (dock set low).
Throatiness.
Roman nose.
Coarse wool on breeches.
Coloured wool in fleece

Animals exhibiting undesirable traits should not be considered for registration.
NOTE:- Judges/ inspectors are requested to adhere to the above breed standards

Objectives of the Society

- the promotion of breeding Shropshire Sheep at home and abroad, and the maintenance of their purity
- the publication of a Flock Book, and the annual registration of male and female pedigrees as are proved to the satisfaction of the Council to be eligible for entry
- the annual compilation of a report of the Society's activities including shows, sales and other related events
- obtaining and maintaining breed classes at various shows
- the maintenance and improvement of a high health status
- the continued improvement of the commercial characteristics of Shropshire Sheep and the promotion of commercial opportunities for the breed
- investigating cases of doubtful and suspected pedigrees
- arbitrating upon and settling disputes and questions relating to Shropshire Sheep and their breeding
- furthering the well-being of the breed and the Society by all lawful means

Shropshire sheep regain “Traditional” status as registered ewe numbers rise

2013 is a landmark year for the Shropshire sheep breed. The breed was officially removed from the Rare Breed Survival Trust’s Watchlist in February 2013 as registered numbers rose above 3,000 for the first time since 1973.

The energy and commitment of the Breed Society, its officers and members has contributed enormously to this status change.

The dedication and innovation of pedigree registration within the Society has also played its part dating back to the 1990’s.

In 1993 Council were increasingly aware of the limited amount of female pedigree information available within the Society and at the AGM in October 1993 Alison Schofield proposed that ewes were monitored more closely. This was agreed and Alison volunteered to devise a suitable recording scheme for the registration of ewes.

Alison presented the Ewe Registration Scheme to Council in November 1993. Rules and procedures were defined, the scheme was accepted and starter packs of registration forms, service certificates, birth notification and transfer of ownership forms were distributed with the Flock Return to all members.

Initial ewe registrations demonstrated the inadequate recording of females’ bloodlines which was reported in March 1994 as “It was apparent from the ewe registrations received that many ewes had only limited pedigree information. In future this scheme will guarantee purchasers of sheep a fuller pedigree."

The new system was proven to be necessary and this significant introduction was reported at the 1994 AGM as follows.

"A new computerised system of central registration for all breeding ewes was introduced this year, which will be of tremendous benefit to the Society. The scheme was primarily designed by Alison Schofield, and presented to Council in November last year for "fine

tuning". Although it seems to have caused the majority of the Membership a headache initially, we hope that it will soon become as second nature as the Annual Flock Return. A similar central computer system for rams needs to be introduced as soon as possible."

The 1994 Flock Book documents the first ewes registered in the history of the Society. This system has captured all registered ewes since 1st December 1992 and all lambs born after 1st December 1993 have been birth notified.

At this landmark time the Society would like to recognise the contribution of Alison Schofield in introducing ewe registration which has played an important part in enabling registered ewe numbers to continue to rise and for the information on individual animals' genetics to be much improved.

National Shows & Sales (East & West)

Another year of record prices together with a high turnout of vendors for Shropshires and all other represented sheep breeds resulted in another successful event at Shrewsbury in July. Melton Mowbray in September however, was not as well supported with a limited number of sheep forward and only half going to new homes. Let's make this show more popular again with both members and purchasers.

A number of show organisers contacted me again this year, as the representative for the association, to ensure that all entries of Shropshire sheep complied with both the Agricultural Society and SSBA Show Rules of Entry. I have already been asked to assist with this for 2013, therefore can I ask that all members of the SSBA ensure adherence to all rules and regulations in order to maintain a full turnout of sheep at every occasion.

Website Update

- **Stock for Sale**

In the coming weeks website visitors will be able to select by location, from a map of geographical areas, details of members who currently have stock for sale.

As I reported last year this was planned for Spring 2012 but due to society delays it was postponed for 6 months.

Membership numbers for 2012

- As of the 10th November 2012 – 187 members
- 30 New flocks formed in 2012
- Membership support & retention –
  - Each new member is given a 'Council Member' who acts as a support with their flock throughout the year and assistance with SSBA documentation
  - Help at the end of a phone

Information to members

- What service / support can the SSBA offer you as Help?
- Publicity Material available throughout the year
- Stock for Sale advertising on SSBA Website is 'FREE' and is updated throughout the year

President's Report
to the 2012 Annual General Meeting

2012 will be a year to remember for many reasons.

While the general public enjoyed the Queen's Diamond Jubilee and then the spectacular London Olympics, farming has had a challenging and difficult year.

First we lived in the shadow of Schmallenberg, wondering if the virus was going to strike our flocks during lambing. Then we suffered the wettest summer on record – and now apparently the wettest autumn. Wheat prices have just reached a record high and cereal production has been poor in terms of volume and quality. So we can expect to pay considerably more for our winter feed.

Despite current worries about the weather, politics and prices, one thing is clear: agricultural produce is in high demand. We are part of an industry which produces food, one of life's essentials.

Lamb prices have held up fairly well, and so has the demand for our pedigree stock. The breed society is pursuing several exciting projects and continues to move forward.

I have been involved with Shropshire sheep since 1999, and it was not long after we'd formed our own flock that I had my arm twisted to join the SSBA's council as the Publicity Officer. At that time, Shropshires were considered by the Rare Breeds Survival Trust to be a breed that was "At Risk".

By 2004, Shropshires had started to make a recovery and numbers were increasing. I was the breed society's Secretary by then and we organized a Celebration of Shropshires at one of the county shows to publicise the breed moving from the "At Risk" category to a "Minority breed" on the RBST's Watchlist.

Now, as I come to the end of my two years as President, I am delighted to tell you that the Trust's Conservation Committee has just recommended Shropshires to be re-categorised again – this time from a "Minority Breed" to a "Traditional Breed".

This still has to be ratified by the main board of the RBST in December, but it is a tremendously important milestone for our breed. It could not have been achieved without the hard work of our society's team of council members and officers, many of whom have served the breed society for more than ten or, in some cases, twenty years.

It has been a privilege to hold the post of President, and I would like to thank everyone who has served on Council during the past two years. And, as I've said before, we are extremely lucky to have such an able and dedicated team of Officers who work continually in their spare time for the breed society.

I would also like to propose a vote of thanks from members attending the AGM for the officers and council members.

I hope that more SSBA members will get involved with breed society activities and offer their services for the future development of the breed.

I'd like to finish with a quote from Henry Ford:

Coming together is a beginning
Keeping together is progress
Working together is success.

Ladies and Gentlemen, thank you.

Sales Officer's Report
to the 2012 Annual General Meeting

It's been another extremely busy year for both the home market and export sales. We have set a breed society record exporting to five countries, Switzerland, Germany, Ireland, Northern Ireland and Isle of Man. This is very positive and shows that we have been consistent in the promotion of Shropshire's and it's reaching far and wide.

Show & Sale Shrewsbury

Jeanette Hares's shearling ram Millenheath Jimmy, by Alderton James, was Champion Shropshire and went on to win the Reserve Interbreed Champion. Pippa Geddes's ewe lamb was Reserve Champion.

The largest entry of Shropshire's entered in our annual sale at Shrewsbury being 95 animals, with a record price for a ewe lamb from the Hayne Oak flock selling for 430gns. This is the second year we have achieved record prices at this sale, which is a fantastic achievement and the publicity we gain is hugely beneficial to the society and its members.

I had the added bonus of being commissioned to purchase sheep on behalf of Peter Roos from Germany who had selected animals he was interested in out of the catalogue as did James Kiernan from Ireland.

We also had a visit from our newest member Paul Crocker from the Isle of Man who was able to attend our BBQ. I don't know what he thought of us all as Shropshire breeders are known for having a good party! We didn't scare him off though and Paul and Wendy took delivery of their sheep in October after a long protracted form filling, licences, haulier, government legislation, ferry/weather saga's. Sue Farquhar and I decided enough was enough and we personally delivered the animals to their door.

If you need assistance or are not sure how auctions work please don't hesitate to contact any of the society's council members or its officers who will certainly assist you. Why not just come along and meet fellow breeders if you are not able to enter stock or even offer help, this is always a good way to meet members.

Show & Sale Melton Mowbray

Congratulations to Les Newman who won the overall breed Championship with his ram lamb Rode Lucas by Hayne Oak Joseph. Robert Webb was Reserve Champion with his ewe.

There were very few buyers at the sale so not all animals were sold which is always disappointing. The society would like to thank the breeders in supporting this sale and hopefully an increase in attendance as well as bidders can be encouraged.

Chelford Show & Sale

Barry Hodson who is our Promotions Co-ordinator won the Championship with his ram lamb Southworth Harry by Morley Macho. He was successfully sold to new members Mr & Mrs Atkins from Woodeaves, Stafford who also run a commercial flock of Suffolks.

Home Market

Unfortunately I was contacted by two members who asked for assistance in selling their flocks this year. I am happy to report that the flocks have been kept together and sold to a new member William Beattie and brother from Scotland and an existing member Pat Finnegan from Northern Ireland.

Once again the home market appears to have been doing extremely well. With many members having 'sold out' of their stock for sale.

I would like to thank the membership for their support in keeping me informed of what stock is available for sale and also when stock is sold, which has made my job a lot easier. Please take advantage of advertising your stock for sale on our website as this is the main point of contact when purchasers are looking to purchase Shropshire's. Our web site is very successful so please use it as a

tool and shop window to sell your sheep. This is a free service and you can update it at anytime of the year.

I would remind you that purchasers are governed by area and don't usually want to travel too far. So I would encourage you all to think of ways of marketing/selling your sheep and not solely rely on our website. Check out your local market, have a chat to the auctioneers, see what time is best to sell and what weights they would like your lambs. The weights are extremely important as this varies depending on who their market customers are, so well worth checking this out. Also speak to your local butcher, you have a premium brand with traceability so use this as a bargaining point. We have literature and posters which are available so please ask if you need any.

We have started 30 flocks this year but lost 28. I know times are difficult for us all but if we all try and keep in contact with each other, especially to the people you have sold sheep to. Just a phone call could make all the difference to someone realising they are important to the Society.

Northern Ireland

Balmoral Show

We have supported this premier event for two years which has resulted in good enquiries coming in BUT the down side is we don't have enough sheep to satisfy the demand. We are losing too many sheep because they are either not registered or the purchaser is not being encouraged to become a member.

The members that helped support our stand could see that there is a genuine interest so I would please ask you all again to register and enrol your purchaser as a member. I say to the purchaser as a good will gesture or lucky penny I will enrol them for their first years membership. So they go away happy and the Society has gained a new member. Your purchasers will always come back to you if you look after them.

I would like to thank Barry Hodson, Simon Mackay and Pat Delaney who all attended this event on behalf of the membership with very little cost to the Society. Pat Finnegan, Dessy Henry and Dolway McCorry for setting up and taking down the breed stand, bringing wonderful sheep and helping man the stand over the three days. Also to the members that came and introduced themselves, always nice to put a face to the voice on the telephone…thank you.

As Northern Ireland Co-ordinator, and I speak on behalf of Pat as well, we have definitely seen an upturn on the membership contacting us with any news or requesting assistance. This has been one of our aims and has given us renewed hope that there is a strong market across both sides of the border. Keep up with the communication it's very much appreciated.

Northern Ireland & Ireland Annual Meeting

The society would like to express our thanks to the McCorry family for hosting our second annual meeting in Northern Ireland.

I sent out invitations to all members and would like to thank the members that attended and the members that sent apologies. Invitations were also sent for our afternoon programme to people that visited our stand at Balmoral and lodged an interest.

The main topics we discussed at the SSBA meeting where:

1. To ensure that all sheep are registered and the purchasers are captured as members
2. The society breed profiling through DNA
3. How best to manage Shropshires in tree plantations and the concern with Nordmann firs
4. Opportunity for Shropshires as a viable commercial meat sheep not just tree sheep... how to progress.

What was extremely encouraging was to see people arrive from the Balmoral invitation for the afternoon programme. All were welcomed with an introduction to the Society by our President. We then set off for the plantation tour and Dolway explained his management system for trees and sheep.

We captured a new member and another extremely interested party that is a head forester to a very large prestigious estate.
We have this year gained 7 new members; 5 from Northern Ireland and 2 from Ireland. We are definitely going in the right direction, so well done to you all.
Our sheep are in demand, so keep to the Society upset price guide as these have been achieved throughout the year.
We have a very strong team of officers working extremely hard to promote Shropshires on behalf of the membership who believe in the capability and versatility of the breed itself. If you have any thoughts or ideas we'd like to hear from you.
Thank you for your support and I look forward to continued growth in sales and the formation of more new flocks in 2013.

Regulations and Conditions of Entry into the Flock Book

1. All registered flock-owners must keep a private Flock Book (to be produced to the Registrar if called upon to do so), otherwise they will be barred from registering their flocks, as it is obvious no truthful pedigree can be given unless such a course is adopted.
2. Rams to be eligible for entry must be named. No name which has already appeared in the Flock Book can be duplicated. If this regulation is not observed, the Registrar reserve to themselves the right of re-naming the ram.
3. No ram will be eligible for entry unless bred by the breeder whose flock is already entered in the Flock Book or accepted for entry in any forthcoming volume.
4. No ram shall be eligible for entry unless the names and numbers of Sire and the Sire of the Dam be given, along with the registration number of the Grand Dam.
5. The Council reserve the right of declining any entry, if so recommended by the Registrar.
6. No breeder's entry will be received unless he or she complies with the following conditions:-
    a. that the whole of the sires used in his/her flock from the date of his/her first registrations be inserted into the relevant Flock Book, and that every ram used subsequently must be entered year by year;
    b. if required, satisfactory proof must be given of the means by which persons registering rams have hired or purchased them.

7. No pure-bred breeding ewes can be introduced into a registered flock except from that of another registered breeder (i.e. a breeder whose flock is recorded in the last published volume of the Flock Book at the time the stock were disposed of), and the owner must furnish the Registrar with particulars of numbers and breeding, otherwise his/her entries will not be considered.
8. Only current members of the SSBA may register sheep as full pedigree animals. Females born in flocks of lapsed members may be registered only as "Grading Up" ewes, after inspection. Males born under the same circumstances may not be registered.
9. Any females to be graded up must be sired by a registered ram and are only accepted for entry to the grading up register subject to the satisfactory inspection by a nominated breed society inspector. Female progeny will only be eligible for full registration as a pedigree ewe at the third generation.
10. When a flock is advertised to be wholly dispersed, no portion of that flock shall be entered by the vendor when first entering a new flock. If any portion of the flock so advertised is reserved, the sexes, ages and numbers thereof must be fully stated in the catalogue.
11. In case the Council at any future date discover an inaccuracy or fraudulent entry, they reserve the right to cancel such entry and/or expunge the flock in question from the Flock Book.

Regulations for the Export of Sheep

General

1. An Export Sale is defined as any sale where an official ministry health certificate requiring the signature of an LVI (livestock veterinary inspector) is required for the movement of the livestock.
2. If any member of the SSBA is approached regarding ANY (society led or private) export of Shropshire sheep, they should immediately inform the Sales Officer.
3. Society-led export orders will be organised and managed by the Export Committee, comprising the President, the Secretary, the Export Officer, the Sales Officer, the Treasurer and the Registrar.
4. Export prices will be set annually by the SSBA's Council.
5. Export prices must be adhered to for all sheep, whether sold as part of a society-led export, or sold privately.
6. Any changes to the export levy to be agreed by Council. It is currently 5% of the sale price, where inspection is involved. Where there is no inspection (for example, where Purchasers have selected their own animals) the levy is 4%.
7. All SSBA members exporting sheep, whether as part of a society-led order or as a private sale, must pay the export levy at the relevant level to the breed society.
8. The Export Officer must keep up to date with any changes in export regulations and provide an advisory service to non MV flock-owners who wish to export.

Stock Eligibility and Selection

1. Members must indicate on their Annual Flock Return if they wish to supply sheep for export in the coming 12 months.
2. Members wishing to export must include the expiry dates of MV Accreditation & Scrapie Monitoring Scheme or Certificate of Compliance signed by their vet on the Flock Return form.

3. Members will then be requested by the Sales Officer to send a copy of their MV & Scrapie Monitored Certificate or Certificate of Compliance to the Export Officer with a dead line date.
4. All sheep forward for export must be registered and registration fees paid prior to the presentation of sheep for inspection.
5. To ensure that all members are given an equal chance to export males, the Export Committee shall keep a list of flocks eligible to export stock which is driven by the Ram Rotation & Ewe Eligibility form. Ram orders shall be allocated in strict rotation, and if a breeder is unable to supply a ram when first requested, he/she shall remain at the top of the list until able to fulfil an order.
6. Only sheep that have been inspected on farm can be taken to the Assembly Centre. No substitutes allowed.
7. If the blood lines of the ram do not meet the requirements of the order then the next ram on the rota will be considered. The owners/breeders of the ram(s) passed over will maintain their position in the rota until they can fulfil an order.
8. New breeders supplying sheep for export shall be added at the bottom of the Ram Export List and must wait until they reach the top before being invited to send a male for export.
9. By the end of June, all Breeding Ewes must have had their lambs weaned and be completely dried off.

Breed Inspections and Export Assembly

1. A number of breed Inspectors appointed by the SSBA's Council will cover different parts of the country.
2. Inspections will ensure that eligible sheep (both male and female) meet breed standards. They will be carried out on the owner's farm by an appointed Inspector, before sheep are transported to the Export Assembly Centre.

3. The Export Committee will decide upon the most appropriate Export Assembly Centre to use for each consignment, based on the location of breeders supplying stock.
4. The Export Assembly Centre will have Public Liability Insurance.
5. The Inspector is responsible for conformity to breed standard not to the weight of the sheep which is the responsibility of the vendor.
6. All breeders supplying sheep for export will be asked to sign a "disclaimer" which states that the society cannot be held responsible if animals are accidentally injured or fall ill whilst at the Export Assembly Centre, and are subsequently judged unfit by a vet for the export consignment. (Breeders can insure their own sheep for this eventuality). It is the responsibility of the breeder to collect any such sheep within one month of delivery providing the animal is fit to travel and subject to any movement restrictions in place at the time.

Procedure to be Followed by the Export Committee for Society Led Exports

1. The Registrar will inform the Export Committee of member's eligible to export and the size of each qualifying flock, as soon as practical after 31st January.
2. On receipt of a sales enquiry the Sales Officer shall contact the potential Purchaser(s) and send them a copy of the Export Order form and confirmation letter, if and when required.
3. On receipt of a completed Export Order form and deposit from a Purchaser or group of Purchasers, the Sales Officer shall contact all members by letter/email that are eligible to supply sheep for export and attach the Ram & Ewe Rotation form. This shows the allocation for each member for both ewes and rams.

4. Members to confirm to the Sales Officer that they can supply their allocation.
5. Males will be allocated according to the Ram Rotation form and females will be allocated pro rata to the size of breeders' flocks.
6. Breeders supplying sheep for an export order will be contacted by the Export Officer at least one month before the export is due to leave the country.
7. A reserve ram will be nominated (next on the Ram Rotation form). This ram will also be Brucella Ovis tested. If this ram is not required for the final export order, the member will be reimbursed, upon receipt by the Treasurer, of a copy of the veterinary surgeons invoice up to a maximum value of £50. This sum will be taken from the export levy.
8. If insufficient females are offered by relevant flocks, the spare allocation will be divided equally amongst other participating flocks.
9. The Sales Officer will contact the Society Inspector(s) giving due notice of the deadline by which inspections must be carried out. To include details of stock numbers involved and which flocks to be inspected.

Procedure to be followed for Private Exports

1. Member to inform the Sales Office of a private export sale. Sales Officer will take full details of the animals, which will include what has been requested, numbers, total cost and when they are schedule to go.
2. Export prices are to run in line with Society led exports. All sheep must be pedigree registered before they travel.
3. Sales Officer will inform the Export Committee full details of the sale. At this point the Treasurer will prepare an invoice for the Vendor with levy due to the Society and will be sent within two weeks of the export.

4. The Vendor will send a list of sheep exported plus address of the purchaser to the Registrar within two weeks of the export

Specific to the Nominated Society Sheep Inspectors

1. The Inspectors must have no vested interest in the sheep they are inspecting. This is determined by the Registrar and Export Officer.
2. Inspectors should identify each animal inspected and complete the society form, and for any failing inspection, a reason must be given in a written statement signed by the Inspector. The inspection results should be forwarded to the Export Officer and a copy held by the Registrar for three months after the export has completed.
3. The reasons why any sheep fail to pass the inspection will be explained to the owner by the Inspector, after the inspection has been completed.
4. The Inspectors will invoice the Treasurer for fuel expenses incurred for inspections at the societies agreed mileage rate within one week of inspections taking place. This will come out of the inspection levy, and the remainder of the levy will be split between the Inspectors pro rata to the number of sheep inspected.

Terms and Conditions Set For Export

1. Overseas Purchasers must confirm their acceptance of the terms and conditions of the export order by signing the Export Order form and returning this to the Sales Officer.
2. All monies for the sheep are to be paid by the purchaser at least 10 working days prior to the date set for the export to the SSBA Society's bank account, by money transfer, in pounds sterling.
3. All monies are to be paid by a sterling bank transfer and all charges are to be paid by the Purchaser.

4. A deposit of 20% is required on completion of the Export Order Form. The monies will be held in the Society's Bank and deducted from the final balance. Should the order be cancelled, incurred expenses will be deducted before the deposit is returned

Specific to the Export Officer Following the Export

1. All sheep records must be sent to the Registrar for inclusion in the relevant Flock Book.
2. The Publicity Officer must be informed of export consignments for the necessary promotion of the breed to take place.
3. The Export Officer to provide the Treasurer with a full account of the export on the Society invoice form for each flock taking part. This includes numbers sent and sale price, within 48 hours of dispatch.

Specific to the Treasurer

1. All monies will be paid to the Vendor(s) after the deduction of any levies, expenses, fees etc due to the Society, within 5 working days of the export consignment leaving the UK.

SSBA Official Ear Marking System

Each year starts on 1st December to run until 30th November the following year.

The following requirements meet both SSBA and current DEFRA regulations.

For further information refer to the DEFRA website www.defra.gov.uk/food-farm/animals/movements/sheep or contact your local Animal Health offices.

The Society's official earmarking requires the following to be adopted by members:

All lambs, before they are over two months old must be tagged in accordance with the DEFRA rules and the SSBA's identification rules. The tag information must contain the consecutive number of each lamb born, the year in which it is born, the breeder's flock designation letters and the official Defra Flock Number.

i.e. 001 AA 13 UK 0301102

Any sheep to be kept for breeding must be electronically identified. This can be by either your official DEFRA electronic tag or an Electronic Bolus and Match-Up Tag.

Animals with tattoos cannot be exported.

Replacement tags should always contain the sheep's original identity.Sheep will not be accepted at shows or sales unless properly tagged/ bolused.

Tags must be officially printed, not hand-written. They can be any colour except RED. (Black is the combination to use with boluses and yellow is used for electronic tags).

Each member must keep a private flock book reflecting a reliable system of earmarking, so as to identify each sheep, and be prepared to produce the same for inspection by the Society's officers. The Society operates a computerised ewe and ram registration scheme. This assists both the Society and the flock owner in determining sire and dam lines.

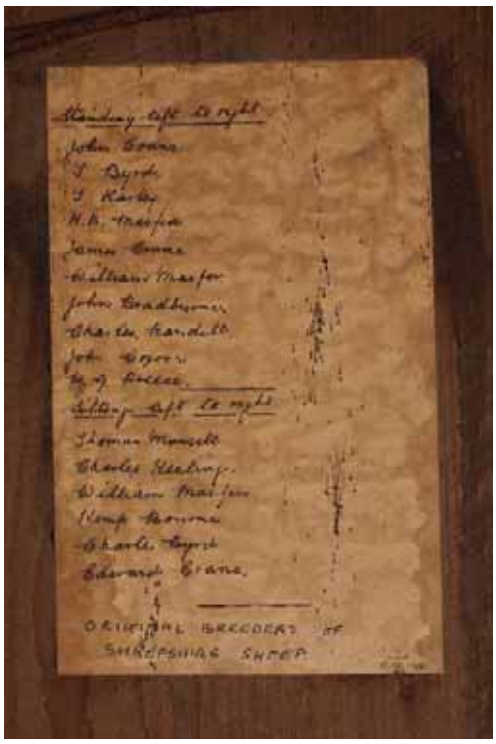
Historic Painting

A photograph of an historic painting of the original breeders of Shropshire sheep, by kind permission of the owner, Christine Everall.

According to the notes on the back of the painting (right), it shows (standing left to right) John Evans, J Byrd, J Harley, H B Masfen, James Crane, William Masfen, John Bradburne, Charles Randell, John Coxon, W G Preece, and (sitting left to right) Thomas Mansell, Charles Keeling, William Masfen, Kemp Bourne, Charles Byrd and Edward Crane.



Exports

Buoyant demand for UK Shropshires led to exports of sheep to Switzerland, Germany, Northern Ireland, Ireland and the Isle of Man in 2012. Pictured above is a consignment of 15 ewe lambs, which together with four shearling rams and two ram lambs were purchased by a group of breeders in Switzerland.

A ewe with her two lambs high up in the Norwegian Mountains. Picture supplied by overseas member Uwe Rutzen.

Promoting the Breed

High Genetic Merit sire, Morley Malik, the first Shropshire ram to be accepted onto the EBLEX Ram Linkage Programme, represented the breed on the EBLEX stand at Sheep 2012, Malvern.

A very successful open-day to promote Shropshires for orchard grazing was hosted by the Clay family (owners of the Showle and Swallows Flocks) at Showle Court, Yarkhill, Herefordshire in March. The event was attended by more than 30 farmers and growers who came to view Shropshires grazing in Standard and Bush orchards (pictured above).

Presentation to Clive Davies of the "Halls Shrewsbury Auction Centre Small Flock Cup" for the Highest Priced Shropshire Sheep sold through the ring for a small flock.

Presentation to Liz Bowles on behalf of JH & PA Bowles of the "Southworth Shield" for the best prepared pen of 2 or more Shropshires.

Reserve Interbreed Champions

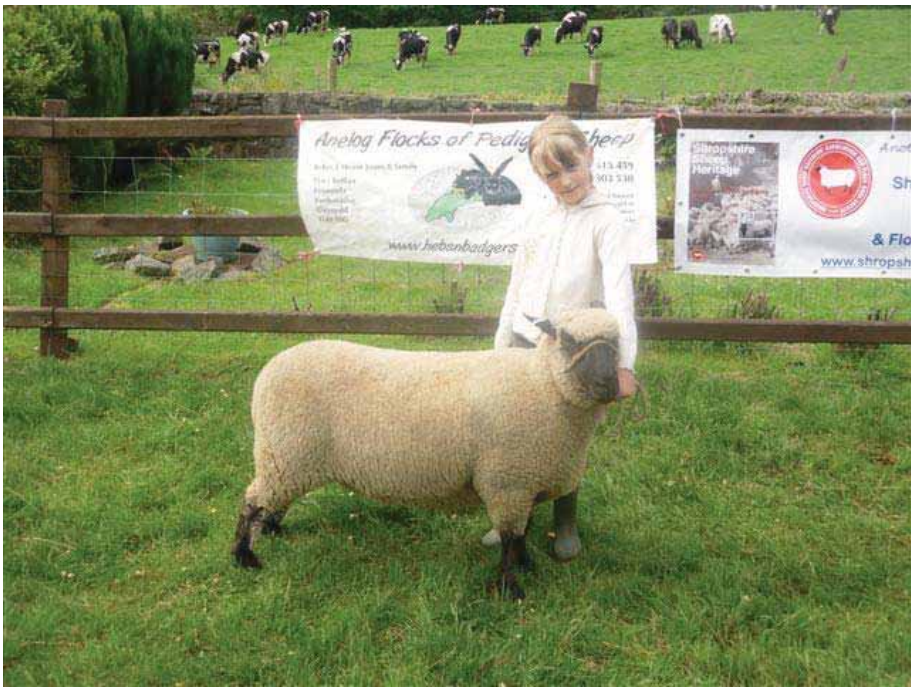
A shearling ewe (DH0111) from the Piddington Flock, owned by Sue Farquhar, took the Shropshire Championship at the Three Counties Show and was also the Reserve Champion in the Interbreed Terminal Sire Class.

Shearling ram, Roydon Raffles (67MY11) owned and bred by Anne Harvey, won the Shortwool and Down Breeds Championship at Cheshire County Show and went on to be the Reserve Interbreed Sheep Champion (Rare Breeds Section).

Staffordshire County Show – Champion was a Roydon shearling ewe (45MY11 left). Reserve Champion was an Ushers breeding ewe (KX4610), pictured with judge Tim Ward.

East of England Show – Champion was a Ushers shearling ewe (KX9311) pictured with judge Chris Crowther.

Breed Champion at the National Show and Sale (East) at Melton Mowbray was the ram lamb Rode Lucas (HZ20412), bred by Les and Tricia Newman .



Winner of the Hornpipe Quaich, show points trophy for Junior Members, Efa Glyn Jones, pictured here with her ram lamb Hornpipe Hawk (30FN12).

</table>

Procedure

1. The Applicant will contact the registrar for an application form which should be returned together with the appropriate inspection and registration fees and, where applicable, membership and flock prefix fees.
2. On receipt of the application and correct fees, the Registrar will forward the inspection forms to the applicant together with details of the Society inspector who will be notified of the request for inspection.
3. The Applicant will contact the inspector to arrange a mutually convenient time for the inspection. He/she should complete the form(s) prior to inspection. Individual ear numbers of the ewes selected for inspection must be indicated. Ewes without individual ear numbers will not be inspected. All sheep should be penned up for the inspection.

4. The Inspector will conduct the inspection for breed standard. Pass or fail will be indicated for each animal.
5. The Applicant will send the top copy of the results to the Registrar.
6. The Applicant will reimburse the Inspector for the cost of fuel only.
7. The Registrar will register the animals when the inspector has been reimbursed.

Summary of Charges (current at time of going to print)

Payable to the SSBA	£ 2 inspection fee per ewe
	£ 3 registration fee per ewe
	£35 membership fee if applicable.
	£ 5 flock prefix fee if applicable.
Payable to Inspector	Fuel costs only

Society Forms and Regulations For Their Use

Annual Flock Return

1. You will receive this form in the post or via email towards the end of the year. It must be completed and returned with the necessary remittance to the Registrar by 31 JANUARY each year for your flock details to be included in the Flock Book. (NO reminders will be sent).
2. You may register on the flock return ewes not previously registered that are in-lamb for the first time. (These animals must be birth notified)
3. If you have used a ram lamb, or a previously unregistered ram (must be birth notified) it also needs to be registered.
4. £1 is payable for every ram used in your current breeding programme.
5. In the envelope you should place:

   Flock Return Form
   Ewe Data
   Cheque to include All Fees

Post to Registrar

Birth Notification Form

1. Birth Notification must include ALL of the following data:- Eartag or Reg No. of Dam, Reg No. of Sire, Date of Birth and the sex and tag number of all the lambs. You can use any method to send the data for example the official Birth Notification Forms or electronically.
2. To be sent within 90 days of the end of lambing and not less than 2 weeks before being shown. NB ALL lambs must be

birth notified before being shown. You will receive a certificate of Birth Notification to take to shows.

3. Remember to keep a copy for your records.

Post to Registrar

Service Certificate

1. When selling in-lamb ewes - complete a Service Certificate and give this to new owner.
2. When using a hired ram ensure that the owner of the ram completes a service certificate as proof of its use.

Registration

Ewes & Rams

1. All female sheep, including lambs, destined to be sold at a designated breeding sale MUST be registered prior to entry. Male sheep must be eligible for registration ie birth notified. Sheep sold at a primestock only sale do not have to be registered.
2. All shearlings and older sheep MUST be registered before being shown. All shows/sales send copy of entries to Registrar for approval. Any entries not registered will be withdrawn.
3. Home-bred ewes in-lamb for the first time can be registered via the Flock Return or by using the Registration Form.
4. As all lambs are birth notified only the ear tag number is required as information is already stored on computer. Lambs can be registered at any time.
5. Ewes and ewe lambs over four months old being sold privately MUST be registered by the Breeder even if sold to an unregistered or non-Shropshire flock. Ewe lambs under four months old need only be birth notified.

6. Only current members of the SSBA may register sheep as full pedigree animals. Females born in flocks of lapsed members may be registered only as "Grading Up" ewes, after inspection. Males born under the same circumstances may not be registered.
7. Males can be registered via the Flock Return or by using the Registration Form. The application being accompanied by a copy of the animal's scrapie genotype certificate, if the Ram has been genotyped.

Post to Registrar

Transfer of Ownership Form

Private Sales

1. The Vendor is responsible for payment of the Transfer Fee to the Society.
2. Please complete the Transfer Form with notification of ear tag number and send to the Registrar together with Pedigree Certificate within 10 days of the sale.
3. The Registrar then sends the certificate to the Purchaser.

Official Show & Sale

1. Vendor to give Pedigree Certificate to the Purchaser as transfer fee is part of the Auctioneer's levy.
2. Please indicate whether new owner (if not already a member) requires membership forms.

PLEASE NOTE, ALL OFFICIAL SSBA FORMS CAN NOW BE DOWNLOADED FROM THE BREED SOCIETY'S WEBSITE (PUBLICATIONS AND FORMS SECTION)
