## Shropshire Lamb, Something truly special!

Shropshire Sheep Breeders' Association

The meat from Shropshire breed sheep - not to be confused with other sheep raised in the county of Shropshire - is something to be sought out and treasured!

Shropshires are the oldest pedigree breed of sheep in the UK and they produce the finest eating quality meat being succulent, tender and full of flavour. It grows naturally on grass and the Shropshire meat you buy here has been farmed locally with low Food Miles and total traceability! The perfect all round package for a wonderful meal.

Insist on the best – ask for Shropshire lamb by name!
